

Our commitment to placing dogs at no charge to recipients means that we depend on community support for our mission.

We are a small organization of volunteers who strive to make a difference in the lives of people with physical disabilities. You can help be a part of this mission with your financial donations which go directly for costs of dog food, crates, leashes, vests, veterinary care, training classes, and insurance. Your gifts ensure that we are able to provide high quality support to volunteers and clients from initial dog acquisition to final placement and beyond.

Autism Assistance Dogs

Autism dogs act as a calming influence, taking the worry from family outings and helping to bridge social barriers. Please see our website for testimonials at www.customcanines.org.

Claudia and Hanna

Guide Dogs (Adults)

By two years of age, our guide dogs are ready to work together in virtually any situation side-by-side with their blind and visually impaired partners. Two of our volunteers utilize Custom Canine-trained guide dogs.

Be a Hero-Raise a Hero

"Inside every service dog beats the heart of a puppy raiser."

Share the pride of contributing to the life and love of a Custom Canines Service Dog. From nine to eighteen months, the puppy is yours to love, train and socialize. Puppy trainers are the real heroes in the young life of a service dog.

The Rewards are Daily and Forever

Visual Companion Dogs (Children)

Working in tandem with a parent at all times, children are able to explore the world around them with the use of a white cane and a remarkable dog at their side for support and guidance.

Bennett and Journey

Dual Service Dogs

These dogs are doubly trained. We train them to work with people who are blind or visually impaired, and who also have additional disabilities. That's training once as a guide dog, then training again for mobility/service.

Dale and Sarge

Mobility/Service Dogs

Using up to 70 commands, our dogs work with individuals who have balance issues, use wheelchairs and/or have trouble reaching, bending or moving.
